

REGULATIONS: Detailed regulations are included in the Exhibitor Contract upon acceptance.

1. All work must be original and produced by hand or with appropriate tools. No buy-sell or imports. Use of kits, molds, patterns, plans, prefabricated forms, or other commercial methods is not permitted.

2. If two or more people work together to produce a single product they may apply as a team, occupy the same booth, and be judged as a team. No exhibitors may share a booth unless they are juried as a team.

3. If any jewelry is offered for sale in your booth, you must be juried into the Jewelry category.

3. Name tags should be worn and booth signs displayed at all times. Exhibitors are required to display an Artist Information Statement.

4. Work must be consistent with that submitted to the jury. Compliance is monitored. CCAFI reserves the right to remove any work that differs significantly from that juried, as well as any work or display deemed inappropriate.

5. Booths must be manned by juried Exhibitor(s) throughout the event. Permission for a proxy can only be granted in advance.

6. No dried florals, manufactured belts or bags, shells, or edible items are permitted.

7. Sale of limited-edition, signed reproductions is permitted. Reproductions should occupy no more than 40% of booth and be clearly labeled.

8. Photographs from original negatives, processed by the Exhibitor, or under his/her direct supervision, are permitted. Work should be appropriately framed and matted.

9. Fractal art applications should include details of printing process and may include work that is designed by hand and scanned, as well as that designed on a computer. No clip art is allowed.

10. Displays should be set up by 9:30am Saturday and 10:30am Sunday, and may not be dismantled prior to closing each day. Business cards, signs and banners are permitted, providing they do not block walkways or access. Sale of promotional items is strictly prohibited.

Colorscape's reputation for quality is well deserved, and the rules are enforced. It is the exclusive right and responsibility of CCAFI to enforce regulations. Repeated infractions will result in expulsion or ineligibility for judging, awards and/or participation in future events.

IMAGE GUIDELINES: CCAFI accepts only digital images for jury review. Please do not send slides or photographs.

IMAGE SUBMISSION is by e-mail or non-returnable CD. Be sure the CD has been finalized and is readable on both Macintosh and Windows computers.

TECHNICAL SPECIFICATIONS:

1. Image dimensions should be no more than 1920 pixels and no less 1400 pixels on the longest side. Files should be saved in baseline standard JPEG format, RGB mode with a resolution of 72 dpi. This resolution will result in lowering file size, which should not exceed 5.0 mb total per image.

3. Each image should be labeled with your name and a number that coincides with a description provided separately. (Examples: smith1.jpg; smith2.jpg). Descriptions should include dimensions, price, and any other information you consider relevant.

4. Separate images of your work should be submitted for each category requested. Each (max. 2) category must be a separate body of work.

5. Artist Information Statements may be included with application.

6. If you are submitting images on a CD, label the disk with your full name and category(ies).

7. When sending images by e-mail, total size of each should not exceed 10 mb, or it will be rejected by the server.

JURY DECISIONS ARE BASED ON:

1) Creativity; 2) Workmanship; 3) Continuity of work; and 4) Overall appearance of display.

The jury will view submitted images, application forms and Artist Information Statements. Images are viewed on color balanced monitors. Please do not send photographs, resumes, biographical materials, etc. Decisions of the jury are final.

AWARDS: Awards are based on on-site judging starting at 10am Saturday. Awards are presented at the complimentary Awards Breakfast on Sunday. Award winners are granted jury-exempt status at the 2019 Colorscape.

DEMONSTRATIONS: Demonstrations are the heart of the educational goals of CCAFI and serve to increase audience interest in the artists' work. Demonstrations take place at the booths and entitle Exhibitors to an extra four feet of space or a corner location, as space permits. If you plan to demonstrate, check the appropriate box on the form and indicate your space preference.

BOOTH ASSIGNMENTS: Booths are assigned upon receipt of the booth fee and signed Contract. Use is restricted solely to the Exhibitor to whom the space is assigned. Only work consistent with that accepted by the jury is to be displayed or sold. Exhibitors will be notified of space assignments prior to the event. No vehicles are allowed on the grass.

Exhibitors provide their own display equipment. CCAFI supplies booth signs and name tags. Electricity is available in most, though not all, locations, but you should bring extension cords.

Thunderstorms are a common occurrence in September and Exhibitors are strongly encouraged to bring rain covers, tie-downs and weights (40 lb. per leg). Colorscape takes place *RAIN OR SHINE*.
