SEPTEMBER 9 & 10, 2023

IN DOWNTOWN NORWICH, NY
RAIN OR SHINE - FREE ADMISSION

Colorscape Chenango is a free juried exhibition of art and fine crafts in an interactive atmosphere featuring artist demonstrations, literary, dance, music and arts activities for all ages; student art exhibit; and creative food vending. Entertainment on three stages.

This event is made possible with public funds from the Decentralization Program, a regrant program of the New York State Council on the Arts with the support of the Office of the Governor of New York and the New York State Legislature, and administered by The Earlville Opera House.

THIS IS YOUR FESTIVAL

Each September, thousands of people gather in Norwich's beautiful East and West Parks for COLORSCAPE CHENANGO ARTS FESTIVAL.

Visitors have the two full days to browse the booths of talented artists from throughout the Northeast. Enjoy the opportunity to chat with them in person as we celebrate the creativity of those who work with clay, glass, wood, stone, metal, paint, and fiber.

Music was one of humanity's earliest art forms, and Colorscape celebrates music by welcoming a host of nationally and internationally renowned musicians to the NBT Main Stage. Each day a large crowd gathers with their friends, umbrellas and lawn chairs to soak up the sounds. It's peaceful—it's exciting—it's truly an amazing experience.

Some come for the music; others for the art. Still others wouldn't miss the Student Art Exhibit, the Literary Arts Tent, or the chance to create their own work of art to take home.

Whatever the reason, the important thing is that on one magical weekend in September, we come together to embrace the creativity and beauty that humans first imagine, and then create.
